It is the policy of Pinnacle One Carolina Real Estate LLC to encourage clients & customers to have a survey prepared on all properties for sale. Our company encourages a survey, even if it is not a requirement of a mortgage company or closing attorney. Our company also encourages its clients & customers to purchase buyer's coverage for title insurance in instances where significant down payments are made. It is the buyers choice to purchase or decline to purchase these services and coverage. In instances where this service / coverage is declined, the client agrees to hold PINNACLE ONE Carolina Real Estate LLC and its affiliates harmless from any claims resulting from these decisions.
